Scope of Works

- Supply of equipment and materials
- Installation and commissioning
- System setup and programming
- Client handover and basic training
- Remote access setup (where applicable)

Additional works outside the quoted scope may incur additional charges and will require client approval prior to commencement.

Payment Terms

- Deposit payment may be required prior to scheduling works.
- Final payment is due immediately upon completion unless otherwise agreed in writing.
- Overdue invoices may incur late fees and suspension of services.

Variations & Additional Works

Any works requested outside the approved quotation scope, including additional equipment, cabling, labour, programming, relocations, or site changes, will be treated as a variation and charged separately.

All variations will be approved by the client before additional works proceed.

Client Responsibilities

- Provide clear access to all required work areas
- Provide suitable power and internet connection where required
- Ensure any required third-party permissions are obtained
- Advise Prime Security of any known asbestos, hazards, or site risks

Prime Security is not responsible for delays caused by restricted site access, network issues, power failures, or third-party contractors.

Warranty

Prime Security provides:

- 12-Month Workmanship Warranty
- Manufacturer warranty on supplied equipment as per manufacturer terms

Warranty excludes:

- Accidental damage
- Power surges
- Misuse or vandalism
- Damage caused by third parties
- Existing faulty infrastructure or cabling not installed by Prime Security

Ownership of Goods

All equipment supplied remains the property of Prime Security until paid in full.
